

THE PEOPLE WHO WALK NOW IN DARKNESS

Lyrics

Words by Randy Vader

Music by Randy Vader and Jay Rouse

The people who walk now in darkness,
Who stumble and fall in the night,
Will soon see our God in His fullness,
Will soon see His glorious Light!

For He will come just as He promised,
The land of death's shadow will fade,
A Light soon will dawn,
Bringing to us provision that our God has made.

Come, O come our promised Light.
End the darkness of the night.
Bring us sight!

The people who walk now in darkness,
Who stumble and fall in the night,
Will soon see our God in His fullness,
Will soon see His glorious Light!

For He will come just as He promised,
The land of death's shadow will fade,
A Light soon will dawn,
Bringing to us provision that our God has made.
They will soon see the glorious Light!
