

SING GLORIA!

Lyrics

Words by Randy Vader

Traditional Spanish carol

Shepherds in the fields at night;
Sing Gloria!
They behold a wondrous sight;
Sing Gloria!
All the sky ablaze with light,
With glorious light, with glorious light
As the angels tell the story of the Savior sent from glory!
Gloria! Sing gloria!

Tremble not in fear good men;
Sing Gloria! Leave at once for Bethlehem;
Sing gloria!
For behold a Child is born,
A Holy Child, a Holy Child.
Unto you a Son is given, go and seek the Prince of Heaven.
Gloria! Sing gloria!

Angels in the evening sky;
Sing Gloria!
Mary sings her lullaby;
Sing Gloria!
As the shepherds stand in awe, they stand in awe, they stand in awe,
Then they go their way rejoicing, their own glories now voicing!
Gloria! Sing gloria! Sing gloria!
Peace on earth, the Lord is born!
Sing gloria! Sing gloria!
God has come to us this morn!
Sing gloria! Sing gloria!
For all Heaven and nature sings, all nature sings,
All nature sings, all nature sings, all nature sings, all nature sings!
God and sinners reconciled through this Infant meek and mild;
Gloria! Sing gloria! Sing gloria! Sing gloria! Sing gloria! Sing gloria! Sing gloria!
Sing gloria!
