

BE STILL MY SOUL

Lyrics

Words by Katharina Von Schlegel/Translated by Jane L. Borthwick

Music by Jean Sibelius

Arranged by Jay Rouse

Be still my soul!

The Lord is on thy side;

Bear patiently the cross of grief and pain.

Leave to thy God to order and provide;

In every change he faithful will remain.

Be still my soul!

Thy best, thy heavenly Friend

Through thorny ways leads to a joyful end.

Be still, my soul, You God will undertake

To guide the future as His has the past.

Your hope, your confidence let nothing shake;

All now mysterious shall be bright at last.

Be still, my soul, the waves and winds still know

His voice who ruled them while He lived below.

Be still my soul.
